Please choose your requirements by ticking items below:

nb: *If you wish to pay for a covered stall or electricity, you must say so, otherwise you are simply booking an empty space.*

Area of the space and other requirements	Number	Cost
Own gazebo or similar in a space 2m wide x 2m deep	[]	£40
Own gazebo or similar in a space 3m wide x 3m deep	[]	£70*
Covered stall with counter, erected for you in advance (2.4m wide x 2.4m deep)	[]	£70
Electricity supply	[]	£ 5

*If you would like a frontage wider than 3 metres then the cost increases in increments of £25 per metre. Thus a space 6m wide x 3m deep would cost £145.

NB We are a completely voluntary organisation, which does not seek to make a profit. We respectfully make the following request. If you know that you will use up more space than the stall frontage you have paid for this is unfair on others. So, if you actually need 4metres and not 3 you should pay £95 and not £70.

NNB Most stall holders will be putting up their stalls on a slight slope and should allow for this in their planning. A site visit prior to the day is recommended for newcomers.

If you would like to be in the same place as last year, please indicate here:

BUT we cannot guarantee the same position.
