Hyperfast Broadband

**East Sussex Full Fibre Broadband,
Lightning Fibre are the proud sponsors of Le Marché 2023**

Lightning Fibre is a local, independent full fibre ISP network. Lightning Fibre's symmetric network is now widely available across Heathfield and Broad Oak.

Previously rural areas have been held back by slow broadband, however Lightning Fibre's new full fibre network allows faster upload and download speeds than ever before. Symmetric full fibre networks allow clearer online communication between friends and family, enhanced gaming experiences and high quality streaming entertainment.

Full fibre broadband is not only the fastest way to access the internet, but it is also the most environmentally friendly (BBC, 2019). Our full fibre network delivers up to 10,000Mbps. The design of the network also ensures no further upgrades to the fibre network are needed once the installation process is complete.

Lightning Fibre is a community centric local business, supporting local charities and events, including Le Marché and the Heathfield Show. Lightning Fibre has also created multiple job opportunities with 95% of our employees coming from East Sussex.

Lightning Fibre recently celebrated a Trustpilot milestone, with over 10,000 reviews! Lightning Fibre enjoys a 4.8 star rating.

HEATHFIELD & WALDRON TWINNING ASSOCIATION

When Le Marché was first launched in 1997 Wealden District Council suggested that some stall holders from Forges-Les-Eaux be invited. Forges is in an area called Le Pays de Bray with which Wealden is linked. Following the success of that initial market both towns decided that they were interested in a more formal relationship and discussions took place which resulted in a twinning link being established at a signing ceremony in Forges in May 1998.

Over the succeeding years the relationship has gone from strength to strength. Traders from Forges have taken part in Le Marché on several occasions in the past and Forges has also provided some of the entertainment.

Group visits take place every year with each town alternating the role of host and many friendships have been established. An important feature of any twinning relationship is the exchange of cultural, educational and sporting links and in the past this has involved bridge, the Heathfield Community College and tennis, rugby and show jumping. The Waldron Croquet Club has held annual competitions with Catenay - a neighbouring village of Forges - and cyclists from Buchy - another of Forges's neighbouring villages are frequent users of the Cuckoo Trail and visitors to Le Marché. A link between the Heathfield Choral Society and La Chorale in Forges has been successfully established with several joint concerts taking place in both towns.

All in all the Twinning Association has created a flourishing and beneficial link between our two towns, and this year - 2023 - the Association will mark its 25th Anniversary when it will welcome a group from Forges to celebrate the occasion. It is thanks to Le Marché that this strong relationship was established.

For up to date news or if you are interested in learning more about the Twinning Association please contact the Chairman
sheiladrennan@btinternet.com

or visit our webpage www.heathfieldtwinningassociation.co.uk

5 STAR REVIEWS ★★★★★

"I would like to express my thanks and gratitude to Lucy for her time and care over Dad's funeral. I very much appreciate the professionalism and kindness she showed at this difficult time and for helping us finalise arrangements. Thankfully this is not something one needs to do too often but it can be a hard task, especially if never discussed previously. The service was really lovely and a fitting tribute to my father. I think he would have approved! Thanks also to Mark who also did a great job with the tribute and made it sound so natural and like he had known Dad all his life!"
