Hyperfast Broadband

## East Sussex Full Fibre Broadband, Lightning Fibre are the proud sponsors of Le Marché 2024

Lightning Fibre is a local, independent full fibre ISP network. Lightning Fibre's symmetric network is now widely available across Heathfield and Broad Oak.

Previously rural areas have been held back by slow broadband, however Lightning Fibre's new full fibre network allows faster upload and download speeds than ever before. Symmetric full fibre networks allow clearer online communication between friends and family, enhanced gaming experiences and high quality streaming entertainment.

Full fibre broadband is not only the fastest way to access the internet, but it is also the most environmentally friendly (BBC, 2019). Our full fibre network delivers up to 10,000Mbps.

The design of our network also ensures no further upgrades to the fibre network are needed once the installation process is complete.

Lightning Fibre is a community centric local business, supporting local charities and events, including Le Marché and the Heathfield Show.

Lightning Fibre recently won the 'Best Consumer ISP with fewer than 50,000 customers' ISPA award 2023. The ISPA judges recognised that "In this year's most competitive category, Lightning Fibre storm to victory with their customer focus and charter, community offering and transparency."

# HEATHFIELD & WALDRON TWINNING ASSOCIATION

When Le Marché was first launched in 1997 Wealden District Council suggested that some stall holders from Forges-Les-Eaux be invited. Forges is in an area called Le Pays de Bray with which Wealden is linked. Following the success of that initial market both towns decided that they were interested in a more formal relationship and discussions took place which resulted in a twinning link being established at a signing ceremony in Forges in May 1998.

Over the succeeding years the relationship has gone from strength to strength. Traders from Forges have taken part in Le Marché on several occasions in the past and Forges has also provided some of the entertainment.

Group visits take place every year with each town alternating the role of host and many friendships have been established. In September a group of members will spend a long weekend at Forges. For some this will be their first visit to our twin town and it will no doubt be an interesting and enjoyable experience.

An important feature of any twinning relationship is the exchange of cultural, educational and sporting links and in the past this has involved bridge, the Heathfield Community College and tennis, rugby and show jumping. The Waldron Croquet Club has held annual competitions with Catenay - a neighbouring village of Forges - and cyclists from Buchy - another of Forges's neighbouring villages are frequent users of the Cuckoo Trail and visitors to Le Marché. A link between the Heathfield Choral Society and La Chorale in Forges has been successfully established with several joint concerts taking place in both towns.

All in all the Twinning Association has created a flourishing and beneficial link between our two towns.

For up to date news or if you are interested in learning more about the Twinning Association please contact the Chairman

The Heathfield Chamber of Commerce has been promoting growth and supporting local businesses in Heathfield and surrounding area since 1920

Our mission statement is to foster a thriving local business community that helps members to grow and develop their businesses.

Our membership group includes a wide variety of businesses based in Heathfield and the surrounding villages, we aim to:

- Create a positive business profile for Heathfield and surrounding areas
- Work together on joint events for the benefit of businesses in Heathfield
- Represent Heathfield at the Association of Chambers East Sussex (ACEs)
  - Be the voice of local business at council meetings

The Chamber has developed and promoted the “Think Heathfield” logo and is responsible for organising, amongst other events, the town’s late night shopping evenings.

The Chamber has also launched a Loyalty Card scheme, to promote and encourage local shopping, and this is proving very popular. Over 30 businesses/shops are members of the scheme and a £50 shopping voucher (to be spent in Heathfield) is a monthly prize drawn from all the completed cards.

To become a member, you can join us for a small annual fee. You will benefit from a listing on the Chamber website where you can promote your business, events and news. You will also be able to attend our regular networking breakfasts and other events that we manage throughout the year, in order to meet other local business people to share information and discuss issues.

For more information on the benefits of becoming a member please go to our website [www.chamberofcommerceheathfield.co.uk/join-heathfield-chamber/](http://www.chamberofcommerceheathfield.co.uk/join-heathfield-chamber/).

5 STAR REVIEWS

I cannot thank White Feather Funerals enough for the amazing support they provided following my mum's passing. They were incredibly kind, caring, efficient and helped create the most personal celebration of life, we could have ever asked for. It was really special and such a brilliant reflection of who my mum was. It received tons of compliments following the service and will be cherished forever. Thank you Lucy for all your help.
